The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>

Continuation of 11. does NOT place the application in condition for allowance: the discharged water pasage 26 (the second path as recited in the claim) must have been regulated/controlled because the discharged water pasage 26 has been sized and shaped to properly suck water out of a body cavity/distensible organ during a surgical operation: Consequently, the pressure in the body cavity/distensible organ is also controlled during the surgical operation.
